STATUS REPORT PROVIDED---DIA Case # 14-030/Appeal

Afternoon Mike,

Based on initial DOPSR guidance, several sequential steps had to be taken with equity owners to obtain certain information. That information has been obtained and is now being provided to DOPSR to continue the appeal process. DOPSR does not have established appeal timelines for the appeal process. Lastly, I am uncertain, but will check, whether DOPSR will respond to you directly or through DIA for forwarding.

Have a good evening.

Regards,
